### ARTICLE INFO

#### Article Type:

Retraction Note

#### Article History:

ePublished: 14 Dec. 2021

This paper was published in *Journal of Herbmed Pharmacology* in 2020 (doi: 10.15171/jhp.2020.07) (1). Based on an email received from the team of young researchers recently, we were informed that the results of this article have been published in other study (2), which is considered as the ethical misconduct.

This issue was investigated by the editorial team of Journal of Herbmed Pharmacology. As a result, based on the Committee on Publication Ethics (COPE) guidelines, the editors decided to retract this paper. The authors were informed and advised on this serious ethical breach.

This article has been retracted at the request of the corresponding author. The retracted article will remain online to maintain the scholarly record, but it will be watermarked on each page as 'retracted'.
